🖥 SETTING UP ONLINE BANKING

Tired of visiting a branch to make all of your transactions? We completely understand. Sit back and relax, because all of your Credit Union of Georgia business can be done anywhere through Online Banking. Follow the steps below to quickly set up your Online Banking within just a few minutes. Once you are set up, you can log in via **My.CUofGA.org**, **the CUofGA Mobile App** or **www.CUofGA.org**.

STEP 1: Visit www.CUofGA.org. Click the red **Login** button in the top right corner and click **Sign Up** under the Login button. You can also Sign Up by visiting My.CUofGA.org and clicking First time here? Enroll now.

STEP 2: Enter your Social Security number (SSN) without any spaces, your Member Number (six-digits or less), your email address and the mobile number you provided at account opening. Click **Next**.

STEP 3: You will receive a code texted to the mobile number you provided. If you have the Authy app installed, you can also access the code there. Enter the code and click **Verify**.

STEP 4: Review the Credit Union of Georgia End User License Agreement. Click **Accept**.

STEP 5: Select an Online Banking Username that you will use every time you log in to your account. Your Username must be unique. (If someone else has already selected that Username, the system will not allow another user to have the same Username. This is similar to creating an email address; no duplicates are allowed.) Your Username must be between 4 and 12 characters in length, must begin with a letter and cannot contain special characters. For security purposes, do not use personal data for your Username, such as your name, Social Security number or birthdate. Also, do not use commonly used words, such as "password" or "online banking," or consecutive or repetitive characters, such as "1234" or "aaaa."

Select a Password followed by Confirm Password. Your new Password must be between 8 and 20 characters in length, using any combination of letters and/or numbers (A-Z, 0-9). Special characters may also be used except for the "@" and "#" symbols. Click **Next**.

CONGRATULATIONS! YOU ARE NOW SUCCESSFULLY SET UP FOR ONLINE BANKING!
